- Master of Science in Information Systems Technology (M.S.)
 - Security and Analytics Concentration
- Master of Science in Sport Management (M.S.)
- Doctorate of Philosophy in Coastal and Marine Systems Science (Ph.D.)

ACCELERATED DEGREE PROGRAMS

DEGREE IN THREE

CCU offers the accelerated undergraduate Degree in Three program (only for first-year freshmen). A student who enrolls in this program can earn a Bachelor of Science or a Bachelor of Arts in three years by taking classes in the fall, spring and summer semesters. The following majors currently offer accelerated Degree in Three programs. For majors not included on the list, students should contact a Degree in Three coordinator to develop a three-year-completing curriculum plan. Additional admission requirements apply.

- Accounting
- Biology
- Biochemistry
- Chemistry
- Computer Science
- Early Childhood Education
- Economics
- Elementary Education
- English
- Finance
- Information Systems
- Interdisciplinary Studies
- Management
- Marine Science
- Marketing
- Political Science
- Psychology
- Special Education

GET MORE IN FOUR

The Get More in Four program is a four-year combined undergraduate and graduate-level degree program in which students complete the Degree in Three program plus a one-year graduate degree. This accelerated degree program is only available for first-year freshmen.

Unlike traditional undergraduate/graduate programs that take five years, Coastal Carolina University's accelerated program is finished in

less time but with no less of an education. Bright, career-oriented and high-achieving students can complete the coursework for a Bachelor of Science or Bachelor of Arts in three years by taking an accelerated schedule that includes courses during the fall, spring and summer semesters, and then moving immediately into the full-time graduate program. Interested students must first select the Degree in Three program and indicate interest in the Get More in Four program on the application for admission. Admittance into the Get More in Four program includes pre-admission to the graduate program and allows you to waive all graduate program entrance exams (e.g., GMAT, GRE). Students must apply for full admission to the graduate degree program following the regular deadlines. Other admission criteria specific to each program (e.g., minimum undergraduate GPA) apply.

Current graduate degrees participating in the Get More in Four program are:

- Master of Accountancy (M.Acc.)
- Master of Business Administration (MBA)
- Master of Arts in Writing (M.A.)
- Master of Arts in Liberal Studies (M.A.)
- Master of Arts in Teaching (M.A.T.)
- Master of Education in Learning and Teaching (M.Ed.)

Current combined degree programs are:

- M.Acc.:** Accounting
- MBA:** Accounting, Biology, Computer Science, Economics, Finance, Information Systems, Interdisciplinary Studies, Management, Marketing, Marine Science
- M.A.T.:** Biochemistry, Biology, Chemistry, English, Marine Science, Political Science
- M.Ed.:** Early Childhood Education, Elementary Education, Special Education
- M.Ed. in Instructional Technology:** Computer Science, Information Systems, Interdisciplinary Studies, Management, Marketing
- M.A. in Writing:** English
- M.A. in Liberal Studies:** Political Science

For more information about the Degree in Three and Get More in Four programs, visit coastal.edu/accelerate.

ONLINE DEGREE PROGRAMS

Online student resources include online writing video tutorials, technical support and an online library with librarians available via live chat, email, text message or over the phone. Visit coastal.edu/online for more information.
